

## **Dans le Noir ? at Rydges Auckland Cancellation Policy**

Dans le Noir ? at Rydges Auckland is more than a regular restaurant, it's a true human and sensory experience. We take great pride in preparing a memorable dining experience for you.

Since we often turn away reservation requests to hold your booking and ask a guide to come to host and serve you, we ask that you kindly allow 48 hours notice for cancellations or to decrease the number in your party.

As we carefully manage our logistics, we will get in touch with all groups of 10 guests or more to have you prepay your dinner by bank transfer or credit card. Kindly note that no refund and change in the booking will be possible if notice is given 48 hours or less previous the dinner. If we have a notice of more than 48 hours, we will ask if you would like to reschedule your dinner for another opening date.

You will receive a confirmation email 2 days previous the event.

If you haven't confirmed, we will get in touch with you.

Thank you for choosing Dans le Noir ? at Rydges Auckland for your dining experience.

We look forward to hosting you soon!
